Bulletin for 3/20/23

Monday, March 20, 2023

With Madame Pres. Lisa Craig in Trinidad, our leader this week is none other than Ex-Madame Pres. Linda Ogata.

With scheduled speaker Dave Rajkovich of the Stockton Maritime Museum battling ill health, our last-minute fill-in speaker is Randy Snider. Randy is Lodi Tokay's sole active founding member. He has graciously stepped up to share his recollection of the highlights and lowlights of our club's fun-filled history.

With that, we've passed the Rotary three-way test: Innovate, adapt and overcome.

Upcoming meetings:

March 27 — No membership meeting but the board meets noon at ClearSuites. And don't forget the craft beer festival evening meeting.

April 3 — Lodi resident and children's author Danna Smith discusses her book "The Complete Book of Aspen" and her surprising experiences following a DNA Test. Dan Smith, no relation, arranged for Danna Smith's speech.

April 10 — Vanessa Barberis, Public Sector Manager for Waste Management will update us on state mandates that impact waste collection in Lodi and the basics of organics recycling. Lisa Craig made arrangements with Vanessa.

April 17 — Judge Barbara Kronlund will have a Power Point presentation about judicial independence. Our favorite Judge Dave Warner set this up.

April 24 — No membership meeting, but another board meeting at noon and an evening LCBF meeting.

May 1 — We'll be touring the new Access Shelter for Lodi's homeless. Our guide will be shelter manager Kathern Siddle. Marty Weybret arranged the tour.

May 15, — Reese School Principal Julie Vaz and the school's Student Leadership Team are our guest speakers. Pres. Lisa arranged for their talk.

June 12 — Akiliah Manuel is Lodi's new head Librarian. He'll get us up to date on library programs including a new one for teens.

If you know of someone who will expand our horizons with an interesting talk, please contact Dan Smith (510-599-4762; djsmith@bpschapel.com).

Upcoming Events:

May 27-31 – Rotary International Convention. Melbourne, Australia

June 10 (Saturday) — Lodi Craft Beer Festival. Put it on your calendar and sign up for a job. All hands on deck!
