### Bulletin for 5/15/23

**May 15, 2023**

**Reese School Principal Julie Vaz and the school's Student Leadership Team are our guest speakers. Pres. Lisa arranged for their talk.**

We will be presenting letters of intent for scholarships to three students:  
Harmandeep Batth — Tokay High Academic Scholarship  
Sarah McLain — Tokay Academic Scholarship  
Charlie Jacobson — Lodi High Career and Technical Education Scholarship.

Sarah's father Jeff and Harmandeep's father Jagmohan "Jag" will also be our guests for lunch. The Scholarship effort was put together by K. L. Johnson.

### Upcoming meetings:

**May 22 — No membership meeting. The board will meet at Kettleman Station.**

**May 29 — Memorial Day and fifth Monday; no Rotary meeting.**

**June 5 — Our speaker will be Phil Lenser who has just self-published his book titled "A Marine's Story: A Sniper Survives Vietnam." He tells the true story of a wounded Marine sniper who survived by crawling 7 hours with his spotter on his back. It's a terrific read.**

**June 12 — Akiliah Manuel, Lodi's new Head Librarian will get us up to date on library programs including a new one for teens.**

**June 19 — Soon to be kicked out President Lisa Craig has called a club assembly. Don't miss the last get-together lead by Lodi's vice mayor.**

**June 26 — No membership meeting. Kickout is 5:30 p.m. at Mason Beach. See details in Upcoming Events, below.**

**July 3 — No meeting. We're celebrating the Fourth of July.**

**July 10 — Incoming Pres. Phil Marcus is planning a club assembly for his first meeting. He has been working with soon-to-be Past Pres. Lisa Craig and soon-to-be Incoming Pres. Dan Smith on some long-term plans. If that seems like a non-traditional approach to some long-term Rotarians, well ... a little change won't hurt a bit.**

**July 17 — Linda Ogata and Christ Phelps will lead a debriefing on the Lodi Craft Beer Festival.**

**July 24 — No membership meeting at noon. Stay tuned for info about a board meeting and perhaps a social meeting.**

**July 31 — No meeting. It's the fifth Monday.**

**New Pres. Phil wants to rearrange the speaker hunting committee. Marty Weybret will be in charge of July-September. If you have a great idea, contact him: (209) 329-5350; [mfweybret@sbcglobal.net](mailto:mfweybret@sbcglobal.net). He will be followed by Jeremy Lenser who will be seeking speakers for October-December; he can be contacted at (209) 263-1622; [jeremy.lenser@gmail.com](mailto:jeremy.lenser@gmail.com). Phil is recruiting a January-March 2024 committee member. June Aacker is in charge April-June 2024; contact her at (209) 912-8391; [June.Aaker@gmail.com](mailto:June.Aaker@gmail.com).**

**Pres. Phil hopes that every member keeps an ear to the ground for interesting speakers. It's the best way to assure we're interested in the information and entertainment at our meetings.**

**Upcoming Events:**

**May 27-31 – Rotary International Convention. Melbourne, Australia**

**June 10 (Saturday) — Lodi Craft Beer Festival. Put it on your calendar and sign up for a job. All hands on deck!**

**June 26 (Monday) — The stove is already hot to roast outgoing Pres. Lisa. A short city council term with front page headlines and a year of iconoclastic tradition-bashing has left the Kickout Committee with rich fodder. Social lubrication begins at 5:30 p.m. at Mason's Beach, dinner's at 6:30 p.m.**
