Merced Rotary - Wednesday June 12, 2024 - Castle Air Museum

Welcome to Merced Rotary today, Wednesday June 12, 2024. Come for lunch at the Elks Lodge at 12:00 noon. Our speaker today is Joe Pruzzo, CEO of the Castle Air Museum. Joe has been the Director/CEO of the museum since 2007. Merced Rotary has supported the museum over the years. Please give Joe a warm Rotary welcome.

Home to over 80 restored vintage military aircraft ranging from pre-WWII to the present-day fighters, the Museum houses a fascinating collection of wartime memorabilia, uniforms, historic photos, and personal military artifacts from the past century. The Museum is proud to display the most complete lineage of Bomber Aircraft on the West Coast dating from prior WWII to the end of the Cold War spanning nearly 70 years.

Castle Air Museum gives visitors a peek into the past and lends insight into the evolution of aircraft and the past milestones of aviation. It offers visitors of all ages a glimpse of what the future of aerospace might hold. Castle Air Museum has amassed the

entire collection of U.S. Air Force jet fighters from America's first operational jet fighter the Lockheed P-80 to the amazing General Dynamics F-16 Fighting Falcon from the Korean War to Desert Storm. For more information from the museum website, [click here](#).
