Karen Rea
NSR 20-21 President

Virtual Meeting 03/09/21

Continuing President Karen's virtual year, we started the Zoom with 13 people and by the end there were 16 watching the broadcast.

Karen had Wayne Hose lead the flag salute, 4-way test and give the thought for the day, which was: A quote from George Washington Carver, 1864—1943. He was an American Agricultural Scientist and Inventor. He said: It is not the style of clothes one wears, neither the kind of automobile one drives, nor the amount of money one has in the bank that counts. These mean nothing. It is simply service that measures success. He also quoted this: How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving, and tolerant of the weak and strong. Because someday in your life you will have been all of these!

We had no visitors or guests.

Karen announced the Angel has stepped down as treasurer, with their second child on the way. Thanks for you service Angel!

This leads to a happy announcement that future hall of famer Steve Groom's son, Jeff is not only our newest member, but steps in the shoes of his Dad as Treasurer of NSR!

Jeff was on hand to accept the adulation and later at the Groom Accounting office, was given his plaque of the 4-way test and

his Rotary pin by no other than the latest winner of "The Bachelor", his dad, Steve Groom. He is the third generation of Groom's in Rotary! Welcome Jeff!

teachers and sharing innovative best practices.

Frosty subliminally supplants the fundraising for the ALZ Walk.

Superintendent Anthony Solina from Aspire Schools explained there are 16 schools in the central valley. They serve almost as many students as Lincoln Unified School District! They feel families should have educational choices. This means you are not limited to your zipcode or demograph for any of their schools. They're here to prepare kids for college. There is a blind lottery for admissions, across the board. To finish the Aspire program, the students must complete a sampling of college courses, required for graduation.

He also pointed out that Aspire partners with Delta College for vocational training.

Thanks Anthony. And again, welcome to North Stockton Rotary!

President Karen announced that all of the 11 scholarships have been delivered!

At 12:59 we signed off, see you next week for new prospective member and UOP Grad, Philip Hon, speaking of his work to bring a charter school to Stockton.

The intensity, education and entertainment at each meeting is written on their faces!

Anyone wonder where the party is? I mean really, these two are having way to much fun!!
