Karen Rea
NSR 20-21 President

Virtual Meeting 01/19/21

President Karen Rea started the meeting at 12:05, after a detailed description from Jay Hislop, in the pre-meeting visiting conversation, about the Covid vaccination proceedings at the Frank Cabral Center over the weekend. According to Jay it was a trial run for implementing the distribution and vaccinating the public. He was impressed by the security and said it ran very smoothly. That's good news!

At it's peak, the meeting had 24 people attending.

Jay Hislop reports on the weekend Covid vaccination distribution event.

Andy Pledging , 4-way Testing, and delivering the thought for the day!

Andy Chesley, or Chellsey, as Karen calls him, did the flag salute behind a beautiful red, white and blue American flag background. After the 4-way test, Andy read from a real book, a quote from FDR's inaugural speech. Here it is.

Franklin D. Roosevelt First Inaugural Address Saturday, March 4, 1933

I am certain that my fellow Americans expect that on my induction into the Presidency I will address them with a candor and a decision which the present situation of our Nation impels. This is preeminently the time to speak the truth, the whole truth, frankly and boldly. Nor need we shrink from honestly facing conditions in our country today. This great Nation will endure as it has endured, will revive and will prosper. So, first of all, let me assert my firm

belief that the only thing we have to fear is fear itself—nameless, unreasoning, unjustified terror which paralyzes needed efforts to convert retreat into advance. In every dark hour of our national life a leadership of frankness and vigor has met with that understanding and support of the people themselves which is essential to victory. I am convinced that you will again give that support to leadership in these critical days.

Karen then squashed the rumor that acknowledging birthdays the first meeting of every month will be abandoned. She said that January and February will be observed in February, Get those party hats ready!

Hoping to present the new bylaws and vote on them, it was pointed out by a certain PDG, that the bylaws must be given to the members before a vote can occur. Oh that parliamentary procedure! They will be sent out for review and we will vote next meeting.

Karen then presented the District Drive thru Dinner, scheduled for March 20th. We needed to vote yes or no on participating. Fundraising Czar, Lorrie and committee feared too many fundraisers could diminish our Club's fundraiser impact. So in the end, I believe our Book, Bands and BBQ has been moved to June, giving us enough separation to participate in the District Fundraiser, which all moneys we generate for, come directly back to us! So sell some tickets, when you can. Ya gotta eat!!

As you can see to the left, we have a space open next to Club Secretary. Stacey Shurson was going to do it, but has a wonderful opportunity and is moving to Florida. So we are accepting nominations to fill that spot! Remember, Rotarians never say no!

We have Paul Harris Awards to distribute

and are trying to figure out how to do it. It was announced that this years RYLA has been cancelled, ironically because it's virtually impossible.

Right you can see our Rotary meeting in 2021. I know I'm looking forward to in person meetings again!
