

Scholarship Dinner This Week At Fraternal Hall

Don't forget that tomorrow night's meeting will be held at the Fraternal Hall as we honor the 10 scholarship winners. Set up for this event starts at 4:30pm with the festivities set to begin at 6pm. We ask that Rotarians sit with the families of the winners and spread the Rotary story. Victor Rosa is the keynote speaker and always does a great job communicating to the students. Thank you Judy Willett for coordinating all the details and the other Rotarians that pitched in to help Judy. Special thanks to our judges: Lori and Bruce Bentley, Yeti Ortiz, Larry Jones, and Rissa Stuart! I will be sending out a brief outline of the agenda to all Rotarians later this afternoon. Looking forward to seeing you all at the Fraternal!

Dictionary Project Completed

Special thanks to Liz, Trish and Bruce for helping out at Hanford Christian School dictionary delivery. This was the final school for this year's district project which involved delivering over 1000 dictionaries to 3rd graders throughout Hanford Elementary schools. The final report has been completed and sent into District Grant Chair Doug Brown. Thanks to the many Rotarians who participated this year.

2023 Scholarship winners
