

Wacky Wednesday Hosted by Hanford Fire Department

Wacky Wednesday did not disappoint as Chief Perkins and his crew at Station One hosted, fed, and gave a tour of the Fire Station last Wednesday. As you can see with the pictures, Rotarian Jack suited up and got a real live demonstration of how heavy the fire suits actually are. Abass' son also got in the act as he proudly wore his fire hat throughout the evening. The tri-tip dinner was superb, thanks Linda Mackey with providing the staff with 4 delicious pecan pies a tradition that started years earlier with the Mackey family.

We are in the home stretch of Rotary year 2023-24 with only two regular meetings left tomorrow and June 12th. The 19th will be a joint board meeting with Prez Mark finishing up his year and handing it over to PE Bruce.

June 26th will be the demotion party and I've requested DJ to "roast" me big time...I have provided plenty of fodder over the past year including having a stroke during a meeting, being like the absent minded professor, etc. I can take it and you know my slogan of keeping it fun!!!

I will also hit you all with some specifics on a special anniversary that also happens to be that day. Looking forward to seeing you all tomorrow night.

Two new recruits for Chief Perkins consideration!

ROTARY CLUB OF HANFORD SUNSET MEMBERS

- Mark Daniel- President
- Bruce Bentley - President Elect
- Mike Johnston - Membership
- Mary Johnston - Treasurer
- Kendra Weber - Secretary
- Yeti Ortiz - International
- Rissa Stuart- Club Service
