

Daniel Demoted

Prez Mark's year long reign as president came to an end at the June 26th meeting DJ ran the meeting which included some heart felt comments towards Mark that were very much appreciated. However, he did get roasted on his joke telling and even received a book with additional jokes. All joking aside, it was a great year for the club and EVERY member contributed in one way or the other which led to the Rotary Club of Hanford Sunset being named the Small Club of the Year in District 5230. Congratulations to all!

Mark had some individual awards he handed out with a baseball team theme. Rookie of the Year went to Judy Willett, RBI leader to Mike Johnston, Home Run leader to Amy Pineda, Highest Batting Average to Bruce Bentley and Inspirational Leader to Kendra Weber. Special thanks to the club for the gorgeous plaque and generous Paul Harris donation of PH+6!

And we weren't done. Yeti and Mark went to the Episcopal Church Soup Kitchen on Thursday to present the check for the dishwasher. This was made possible by Amy's Foundation giving! Mark also contacted Fire Chief Perkins regarding the purchase of two thermal imagers. Overall the Rotary Club of Hanford Sunset provided over \$42,000 in donations this past year...quite a feat from the "Small but Mighty" club.

As we turn the page into Bruce's year and the Magic of Rotary theme let's all work together to have an even more rewarding year. The sky is the limit on what we can do when we put our minds and efforts toward whatever it is we need to tackle.

It was a great honor to work with each and everyone of you these past years.

ONWARD!

ROTARY CLUB OF HANFORD SUNSET MEMBERS
