A Message from our President

Welcome to the Rotary Club of Hanford Sunset! - we are so happy to have this new opportunity to share information with our followers in the new weekly Bulletin format, now produced through the DACdb or District And Club database. The software is produced by and for Rotarians as a total club management system.

There has never been a better time to be a Rotarian. With over 1.2 million members in 35,000 clubs worldwide Rotary unites people, takes action and solves problems. Our club members log thousands of volunteer hours annually working on projects that fall into one of our main areas of

focus:

- Promoting Peace
- Fighting Disease
- Providing Clean Water
- Saving Mothers and Children
- Supporting Education
- Growing Local Economies
- Protecting the Environment

Our club family works together to support these causes and more. We are especially passionate about working with our youth and seniors. We are moving towards a more socially oriented concept. Rotary is an organization that can compliment, rather than compete for our valuable time.

With a renewed focus on engaging our members, the organization recognizes that Rotarians come from all walks of life and we are making big strides towards welcoming a more diverse membership. We know we all have busy lives and, thus, introduced various service opportunities for involvement that provides you with the power to decide how you want to serve.

When you take a step back and put things in perspective, it's easy to see how Rotary is an extension of our family. Let's work together this year to make this the best, most fun one ever and experience "*The Magic of Rotary*"

Yours in Rotary Service,

Bruce Bentley, President 2024-25
Rotary Club of Hanford Sunset

Dishwasher has been ordered!

Sunday, July 7, 2024

Rotarians Yeti Ortiz and Mark Daniel met with leadership at the St. John's Episcopal Church to pass along a check for \$7,000 + dollars which will be used to purchase a new multi-purpose dishwasher for the Soup Kitchen. The management team which consisted of Emily Burnias and Reverend Luke Martinez were thrilled at the donation which will be matched by the Tyler Henry Foundation. Yeti and Mark were also treated to a tour of the chapel which is a historical treasure which was moved to its current location from south Hanford in 1910.

Rotary's Commitment to Diversity, Equity, and Inclusion

At Rotary, we're committed to treating everyone with dignity and respect, allowing everyone's voice to be heard, and providing equitable opportunities for fellowship, service, and leadership.

Our members want and expect Rotary to be a diverse, equitable, and inclusive organization. Although the Rotary experience may differ from country to country, issues of diversity, equity, and inclusion are globally relevant.

We embrace the principles of diversity, equity, and inclusion. We recognize that being a diverse, equitable, and inclusive organization will enhance the experience that members have in Rotary, allow us to carry out more meaningful and effective service efforts, and create open, welcoming environments that appeal to people who want to connect with us. Through the work of our [Diversity, Equity, and Inclusion Advisory Council](#), we are taking action to follow these principles in everything we do.
