CREATE HOPE
in the WORLD

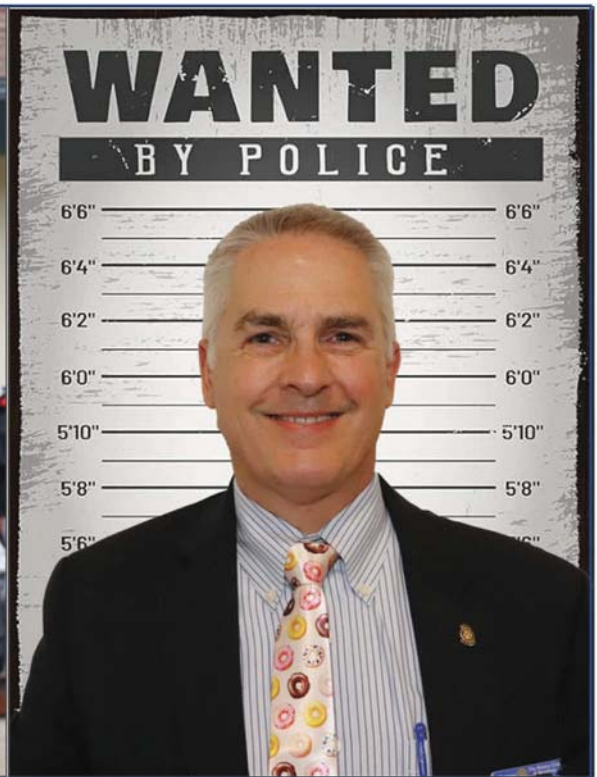

Please Join Us As We Celebrate The End Of The Reign Of The Doughnut King!

At long last, the reign of the Doughnut King is coming to a close! A year of collective punishment and long suffering by the Rotary Club of Monterey is on the cusp of ending. Parole from our one-year sentence of sardonic cop humor and arbitrary and capricious fines is at hand. So close that we can taste the sweet smell of freedom. Dare we dream? Is it really coming to pass? Is Jonathan Geisler really taking the helm, or has this been a dream from which we will awake only to live a nightmare of more Hober-led torture sessions? Thursday will tell the tale. Come one, come all to see what happens.

Dave, in spite of you nearly killing Pag at the Centennial Celebration, you have done a passable job as President. A superb job when compared to your pathetic predecessor. We will miss the steady hand at the helm. Prepare to enjoy the best title in the Rotary Club of Monterey: **Past President!**
