Matt Keane – Dead Stick Beach Landing In Heavy Fog!

I was born and raised in Santa Cruz, California with a passion for aviation. Growing up, there was never a point where I did not want to become a professional aviator. I took my first discovery flight out of the Monterey Airport at age 15, and in 2018, officially began flight school at the University of North Dakota Aerospace. There, I earned my Private Pilot Certificate, Commercial Pilot Certificate with instrument and multi-engine ratings, and graduated in 2021 after completing my Flight Instructor certification. In 2022, I moved back to Santa Cruz and have worked as a Flight Instructor out of the Monterey Airport, where I've accumulated 400 hours of total time. While my career aspirations lie with the airlines, I've discovered general aviation and instructing to be passions of mine which I hope to continue in the future.
