Down and Around on the Farm

Host Pete Penner took us out to the Reedley College farm and Jerry Buckley toured us around "in the dust". (Pete wanted us to feel the full effect of farm and ranch life. We even bottomed out the truck!)

Cattle, hay, tractors, silage, raisin grapes, wine grapes (we tried them), olives, pistachios, sedan grass, alfalfa, the Kings River, mandarins, mules, horses, lumber, airplanes... lots of dust, and some flies. (We missed the goats and pigs, but Denny and Sue did their own stock check later!)
