DID SOMEONE SAY COFFEE??!! BRICK AND STONE COMING TO REEDLEY

Erik introduced Anthony (Tony) Reyna, who operates Brick & Stone Coffee with his patient partner wife. Tony told us of their calling to provide a warm gathering spot with delicious drinks, hot and cold. They feel so blessed to be able to join the Reedley community in the space that was Tomanni's, with an additional wonderful area made available to them by Dentist Mark Luzania. Look for some warm and wonderful renovations to the space, with wifi and welcoming seating. We'll be able to order from their website to pick up at the store: www.BrickandStoneCoffee.com. They will be hiring, and their application is on their website. They anticipate opening in a couple months. (As they built their Dinuba store, there were many times they wondered if their supplies would ever emerge from the container ships in the Pacific!) Rod is hoping that they'll serve plain ol' black coffee, along with their swirly, fluffy stuff, and envisions himself walking the store with his pot of warm ups for all!
