IMAGINE ROTARY

Adele's first Rotary lunch as President!

Pres. Adele's first meeting started off on a rather odd musical note: Tracy set up music videos from the 80s as the background and music. There's nothing quite like Billy Idol and Sting as lunch company. It made for a rather remarkable photo backdrop.

The Rotary Int'l theme (flag) for this year is "Imagine Rotary". Erik led the lunchsters in John

Lennon's anthem.

The Fiesta parade is 10/8 and assignments are in our future. The theme is "Reedley Beach Party".

Pres. Adele made the exec decision that this year's \$1500 RI grant application would be to support Teen Challenge to "Imagine a Helping Hand". The Club will be figuring out how to collaborate with Teen Challenge on this effort, as well as get needed tools like mowers and such.

Pres. Adele announced that her first board meeting would be on 7/19 at her office. She talked further about budget ideas. 43% of the Club's allocation would be to youth and related needs.

The 7/21 lunch program will be Rotary exchange student Flavio from Brazil, courtesy of Chuck, who apparently taught him to ski while he resided here.

Chuck rang the bell for 46 years with Stella, and Steve U. rang the bell for 45 years with his Susan! Adele was afraid to ring the bell in fear for its safety, so these bell-rings were "Imaginary".

Erik announced that 42 young people have joined the Junior Chamber Board. We see opportunities to collaborate!
