A College Coach and A Life Mentor: Two Great Men The Focus of Reedley Rotary

We would like to know what Sue was saying with such vigor that it made Pres. Adele react in this way!

Contributed By: Rodney "New Guy" Horton . . . I think we have a new bulletin editor!

Adele brought the meeting to order using a substitute bell she probably picked up from an antique store. I (honest to goodness) would not be surprised if Adele's bell was pictured in London, waiting patiently to view Queen Elizabeth's casket. Adele, I believe the bylaws require a \$200 donation to the club if you don't get your bell returned soon. Time to use

some executive privilege!

Prior to eating lunch, with the help of Jean's accordion, we sang Happy Birthday to Pete Penner. Pete, we would say you look great for 90, but the truth is – your lovely bride of 68 years has to take the credit for that. President Adele, using her executive privilege, doled out marching orders for Fiesta (like she just awoken from a siesta). She made promotions (congrats Director Ryan) and demotions (sorry Assistant Director Pete – nice run). And, she created new positions to supervise the art show.

Calling all you cool cats and kittens, I mean – past presidents, there will be an endowment meeting on Tuesday, September 20, 2022, at 4:30 p.m. in President Adele's office at KCUSD. The purpose of the meeting is to consider sponsoring concession stand improvements. After that portion of the meeting is completed, the board will commence their meeting.

Our guest speaker was Coach Hart, Reedley College's new Head Football Coach. Coach Hart has a lot of heart and passion for football and Reedley (see what I did there?). He has traveled all over the state of California coaching football. Although he is a Pennsylvania boy, his love for Reedley College began in 2019 when he completed a 6-month stint on the coaching staff. The first thing he noticed was the bigger the city, the smaller the community support. While Reedley may be small in population, we show up to support the T-I-G-E-R-S!!! Coach Hart works very hard to instill in his team the importance of service. We look forward to having Coach Hart at future Rotary meetings. In the meantime – go TIGERS!

Additionally, everyone needs to be on the lookout! Plans are in the works to have a Rotary outing at the November 5th game against Fresno City College, which kicks off at 1:00 p.m. Our mighty Tigers are going to roast Fresno's little rams! Barbeque ram, anyone? I know I will have some with a side of Phyllis' delicious macaroni and cheese. Yum!

President Adele adjourned the meeting and quickly secured her substitute bell and gavel. If only she had done that to the real bell. Well that is all for now. See you all at the next meeting!
