Fiesta Planning and a Potential Fix (e)

Photo above courtesy of Michael Miller.

'Twas the planning meeting before Fiesta and all through the room,
Not a Rotarian was listening. . . until Pres. Adele brought down the boom. . .
The spreadsheets were crafted and passed amongst members
And maps were discussed and then thrown into the embers (well, the trash can, but what
else rhymes with members?)
The day was fast coming, and all felt prepared
For the annual parade with all its fanfare.

And then Fixel arrived to discuss his election
To the Healthcare Board, that needs new direction.
Social media is ablaze with news of his run
As most in Reedley question, "wasn't the Hospital Board done?"
Ah yes, a bankruptcy in the past decade was its fate,
But a new direction as a granting agency is its current state.

That's it for the news
Of this week, at least
This bulletin editor
Has run out of rhymes for her piece.
