Let's Talk Rotary!

Sunday, July 17, 2022

Rotary brings together people like you — leaders who want to use their distinct expertise for good. People whose sense of responsibility inspires them to give back to their communities. Who step forward to tackle the toughest challenges — and persevere to create lasting change in communities around the world. Together, we empower youth, improve health, promote peace, and advance our communities in all corners of the globe.

This Thursday, July 21st, Sanger Rotary will come together, with guests hopefully, at King's Winery for a RAD social event also known as "Rotary After Dark". This special event will show that Sanger Rotary is back after the pandemic and hopefully will encourage others to join in on Rotary's fun, challenges, and projects for the good of the Sanger Community. Details are in the flyer below.

Rotary After Dark

The Association of the United States Army

The Clovis Chapter of The Association of the United States Army came to Sanger Rotary's meeting last Friday (July 15th). The Association is a nonprofit educational and professional development association serving America's Army and supporters of a strong national defense. AUSA provides a voice for the Army, supports the Soldier, and honors those who have served in order to advance the security of the nation. There were ten Rotarians present to hear Jim Anderson talk about the AUSA and show a briefing of what the Central California Chapter (in Clovis) does in the area. They are quite active with band concerts, ceremonies, color guards, etc.

Ten Rotarians doesn't sound like much, but if you take the summer vacations away it easy to see our attendance could be pushing 17 - 18 in attendance. Who knows . . . maybe the RAD could add a few more to our attendance count!
