Measure C Update

Friday, July 29, 2022

Mike Leonardo, Executive Director of the Fresno County Transportation Authority gave the club an update on Measure C. The breakdown of the expenditures (i.e. which roads are fixed) was interesting.

If you missed the July 29th meeting you'll have to read about Measure C on the internet. There is just too much detail

to list it on a short story. But you missed more than Measure C information, you missed a great lunch! Italian Chicken on Angel Hair Pasta, Caesar Salad, Rolls and Butterfinger Cake! We had eight members, two guests and the speaker who enjoyed the fellowship and that great lunch. When vacations end Sanger Rotary will have a good group of members in attendance each week.

Board of Directors Meet

By Dennis C. Dorman on Saturday, July 30, 2022

Your club Board of Directors met on Thursday, July 28th to discuss club business and plans for future events. The topics on the agenda included (but is not everything) the following:

- Revised Club Bylaws: still need club vote to officially approve.
- Sanger Rotary Club Website: Transfer to the DACdb is complete. Reviewed the website basics for adding material or updating information. You can visit the club website at sangerrotary.org.
- BBQ Fundraiser planning is progressing.
- Club Membership status.
- Rotary Concession Stand: Repairs needed and plans for cleaning it up.

Scheduled for an hour, the meeting must move along without deviating from the agenda. Your club president, Adela, keeps the discussions and voting in line allowing the board to accomplish a lot of club business. There was a quorum present allowing the board to conduct business.

Who are the club's board of directors you ask? It is EASY to find out. Just go to the club website homepage at sangerrotary.org and look on the side column on the left. Everyone is listed with their titles.

August is Rotary's Membership Month

By Dennis C. Dorman on Sunday, July 24, 2022

Membership is the "tool" that allows Rotary clubs the ability to do good work in their communities and around the world. The more members in the club, the more fundraisers and bigger projects can be

Rotary?

completed. Sanger Rotary for years had 45 to 55 members at any particular time. We were able to maintain those numbers because we invited guests to visit the club and experience the fellowship and community efforts the club enjoyed.

The pandemic interrupted a strong program and the club had no meetings (other than ZOOM), and membership took a natural drop in numbers. But Sanger Rotary is back and enjoying the pre-pandemic activities we were used to! With August being membership month, it's a good time to focus

on increasing membership by "talking Rotary" when we get the chance. Our club president, Adela, started early with last week's RAD event at King's Winery. Let's keep it going, and have a membership proposal form handy!

You can easily download a membership proposal form from the club website under the "Club Links" tab. Select the "Documents Link", then the "New Member Info" folder. You'll find the PDF Member-Proposal form in the list. Your printer's not working? Just send Dennis an email and he will drop a few copies of the form in the mail for you!
