Fire at Rotary

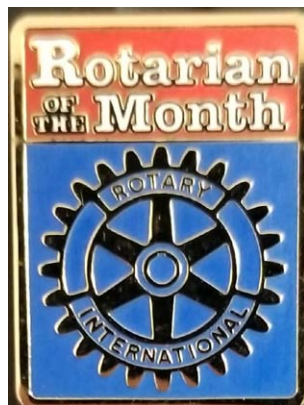

By Dennis C. Dorman on Friday, August 5, 2022

Don't worry, it wasn't a real fire! It was Sanger's Fire Chief, (and Rotarian), Greg Tarascou. Greg was the program speaker and presented a nice summary of the high school Fire Explorer Program and the associated "pre" and "post" explorer programs. It was fun learning the amazing training the youngsters get in the Explorer program. They even get to experience some real life issues under the safe and watchful eyes of the leaders.

Greg drew a large crowd for our "young" club. We had twelve Rotarians and four guests along with another great lunch. Counting some of our regulars who weren't able to make the meeting today (i.e. Ray, Pam & Mike) we are making progress in

getting back in the groove.

President Adela had a busy "club business" session. She told the club about the Concession Stand being inspected and mentioned the type of work needing attention. Some of the work can be done by club members and some of the work may need professional work. Also, upcoming is the October 30th BBQ. Start thinking about auction items. We will benefit with donations (hint).

President Adela knows the importance of good team work and has started a method of recognizing the important contributions of the club members. She awarded her first "Rotarian of the Month" (for July) to Dennis acknowledging his efforts in the concession stand inspection, revamping and improving the club website, and bringing back a nice club newsletter formally known as the Gilded Gear. Remember to think about "Auction Items". The BBQ is coming up fast.

If you would like a copy of the Concession Stand inspection report, it is available on the club website. You don't even have to login. Just go to sangerrotary.org and:

- move your cursor over the "Club Links" tab
- select "Documents" in the drop down menu
- select the "Miscellaneous" folder
- select the Inspection pdf file for download!

If you want a "hard copy" send Dennis an email and you'll receive it in the mail.

The Rotary Foundation

Governor

International (not to be confused with the Sanger Rotary Club Foundation) is a not-for-profit corporation that promotes world understanding through international humanitarian service programs and educational and cultural exchanges. The Foundation is supported solely by voluntary contributions from Rotarians and others who share its vision of a better world. Since 1947, the Foundation has awarded more than US\$3.7 billion in humanitarian and educational grants, and in 2015-2016 alone funded US\$ 246 million of projects, which are initiated and administered by local Rotary clubs and districts. Funds are placed in an "Annual Fund" or a "Permanent (endowment) Fund".

The Foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world." It has grown from an initial contribution of US\$26.50 to more than US\$1 billion in assets in 2013-14. Its event-filled history is a story of Rotarians learning the value of service to humanity.

Sanger Rotary is a club that enjoys the "Every Rotarian Every Year" status. That status is achieved by clubs when, during the Rotary year: The club's total Annual Fund contribution averages at least \$100 per capita. The club maintains the status through a \$2.00 weekly assessment returned to a member's foundation credit when the weekly ping pong ball is drawn. Additionally, making a club announcement and ringing the bell "fines" the member \$100 to the annual fund. Club member pledged foundation funds are collected by "fines" (i.e. birthdays, anniversaries, driving a new car, etc).
