4H Programs in California

By Dennis C. Dorman on Saturday, September 17, 2022

4-H is a non-profit, informal educational youth development program. In California, the 4-H program is conducted by the University of California Cooperative Extension. At the club level, the Community Club Leaders and the project leaders are adult volunteers. These adults accept the responsibility of being a leader because they enjoy teaching and working with 4-H members. At the club level, the Community Club Leaders and the project leaders are adult volunteers. These adults accept the responsibility of being a leader because they enjoy teaching and working with 4-H members.

Some projects offered by the 4-H program include: Arts & Crafts, Camping & Backpacking, Citizenship, Clothing & Textiles, Service Learning, Computers, Dog Care, Food & Nutrition, Gardening, Guide Dogs, Leathercraft, Livestock, Photography, Rocketry, Shooting Sports, Small Animals, Woodworking. Members may design individual projects or participate in any approved project for which a leader is available.

Brand new Rotarian, Hollie Hudgins and her two children, Stone and Harlan, presented a great program today about 4H in Fresno County. Stone began his story talking about his steers "Dennis" and "Mr Wilson".

Stone told his 4H story and included the ribbons and pictures in the above display; all his! He will be busy at the fair again this year with "Dennis & Mr. Wilson".

Harlan spoke second and talked about her hogs! She has to handle both of them at the Big Fresno Fair this year. Through her talk I learned the difference between hogs and pigs! If you live in one area of the country, they are hogs. If you live in another area of the country they are pigs! I'm not confused, in my mind they are BACON!

Hollie Hudgins was busy today! She not only presented the program today, she was presented her name badge as Sanger Rotary's newest Rotarian. After club President Adela presented Hollie her name badge Pam Viar took the time to tell us how proud she was of her daughter, Hollie, and her grandchildren, Stone and Harlan.

Of course we also had the normal business session. President Adela announced it was Greg Garner's two year club anniversary. Greg added he had seven years in Selma Rotary! Greg proudly went up and rang the Bell! Moe and President Adela also rang the Bell. Moe celebrated her husband Jim's Birthday and President Adela celebrated her seven year club anniversary. Yes, it was a good day for the Rotary Foundation!

District Assistant
Governor

It was a great day for Sanger Rotary too! We had TWENTY Rotarians in attendance! It was the first time attendance was in the "20's" since we returned to regular Friday meetings at the Sanger Rec site. It was a good meeting but still missed Mel, Gary, Gilbert, both Tammy's, Fred, Larry, Domingo, Erlinda and Josh! We had plenty of room for everyone and plenty of lunch!

Oh, you wouldn't believe it but Ray McCann's name was drawn from the Ping Pong tub again!

BBQ Fundraiser Planning

Sunday, September 18, 2022

Sanger Rotary's Annual BBQ Fundraiser and Auction is coming up fast! **Everyone should try hard to make the scheduled BBQ planning session scheduled for the September 23rd club meeting** (our regular Friday meeting). President Adela will go over the schedule, assignments, responsibilities and cover Questions & Answers. And there is a great lunch planned!

If you haven't picked up your ticket packet to sell, you will be able to do that at this planning session. Tickets are \$30 each this year (\$20 for children under 12). If you have auction items to donate, bring a information list and we should find out how the auction items are handled.

Let's all get together and work towards a great BBQ fundraiser!

Basic Education and Literacy

Monday, September 19, 2022

BASIC EDUCATION
AND LITERACY

September is Basic Education and Literacy Month for Rotary. This is one of Rotary's seven areas of focus. We all know how critical reading and writing are for success in life – for gaining information, communicating, making agreements, and so forth. Enhancing Basic Education skills and Literacy are essential in reducing poverty, improving health, encouraging community and economic development, and promoting peace. Improvements can reduce

maternal death, improve childhood survivability, and reduce poverty. They can also enable success in business or a profession.

Projects undertaken by a Rotary Club can address low adult literacy, returning youth to school, enhancing student performance, or supplementing limited school resources. Sanger Rotary has been involved in the Rotary Dictionary Project. This effort provides third grade students a personal dictionary of their own for use in elementary and middle school. It is a path to supporting better reading, speech, and writing.
