40 Years In the Wilderness

By Dennis C. Dorman on Saturday, February 18, 2023

Dr. Allen Clyde, came to Sanger Rotary and took 40 minutes to summarize 40 years in the Sierra Nevada's John Muir Wilderness. If you missed this meeting, you can find details in his book *"Life Lessons on the Sierra Trail: 40 Years' Experiences in the John Muir Wilderness"*. Dr. Allen has operated a horse packing service in the Sierra Nevada's John Muir Wilderness for 40 years, transporting over 20,000 visitors and their supplies. He is also a podiatric physician and surgeon. Clyde has served on the Fresno County (California) Board of Education for nearly 20 years. He lives in Clovis, California. Life Lessons on the Sierra Trail is his first book.

It was a light crowd at Sanger Rotary on 9/17. We had twelve Rotarians and a terrific guest, *Rita Evans*. Rita was a past president of Sanger Rotary during the 1995-1996 Rotary Year. If you want to read about Rita's contributions to Sanger Rotary, just go to your club website and pass your cursor over the "About Us" tab. Select the "Past Presidents" link and click on Rita's name in the list. Oh, I can't forget to welcome back Todd Browne. Todd has over 30 years in Sanger Rotary membership, and just returned from a well-earned sabbatical! I thought President Adela was going to welcome him back by fining him for that great car he parked in the lot. However, President Adela was busy collecting fines from two birthday guys, Ray and Gene. Then we heard about the District Celebration and that Little League would start soon. Lee Delap's name was drawn from the Ping Pong ball tub. \$100 will be sent to Rotary International in Lee's name towards a Paul Harris Fellowship.

If you missed this terrific meeting, be sure to come next Friday (2/24) as Fred and Judy McNairy are our program speakers and will speak about the Blossom Trail!

Drive Carefully

Sunday, February 19, 2023

Driving safely around children means keeping in mind their unpredictable nature, which translates to you slowing down and paying more attention to the road. Pay special attention to schools, residential neighborhoods, and other areas where kids tend to congregate, but keep your eyes peeled whenever you see or anticipate children being around.

Sanger Rotary Club knows the importance of driving safely around children. To remind us to drive safely, Sanger Rotary has posted signs in various locations around town. Many of the signs have deteriorated and the club has decided to replace the old with new signs. The club board of directors approved the expenditure at the latest board meeting.
