## Vocational Service

By Dennis C. Dorman on Saturday, March 18, 2023

For the past two weeks, Tim Lopez, Sanger Rotary's Vocational Service Chairperson, has provided two great Vocational Service programs during the Friday meetings. The first program held at the Sanger Adult

School provided a great insight into the opportunities available at the Sanger Adult School. The Adult School provides quality education to its diverse student population with the goal of preparing them for further education and/or the workforce. There were fifteen Rotarians at this meeting who enjoyed the program and a great lunch!

This past Friday (3/17), Tim's second Vocational Service program was presented by students from both of Sanger's High Schools. Carmen Garvis from Sanger High and Yanelly Torres from Sanger High West introduced the Career Pathways available to students at each school. A few of the Pathways offered include Health Sciences, Military and Public Service, Engineering, Computer Services, Digital Arts and Media. After the introduction, Carmen and Yanelly asked a few of their students to cover their experiences in the Pathways programs in which they are enrolled. Interestingly, one of the students mentioned he hoped to go to work at ADCO in Sanger! As you would expect, that caused a small reaction from the Rotarians present. There were fourteen Rotarians and two guests present for this super program. The two guests were Denise Flores from WDF Construction and District 5230 Governor Nominee, Michael Rabara.

This coming Friday (3/24), we expect to return to the Sanger Recreation Center for our meeting. If not, you'll probably get another email with information about the meeting.

## District 5230 Celebration

Sunday, March 19, 2023

Near the end of each Rotary year, the District holds a year-end conference. The conferences used to be a multi-day event held at a nice hotel within the

district. For the past few years the events have been condensed to one day and are now called the "District Celebration". This year the party is at the Fresno Chaffee Zoo on Saturday April 22, 2023.

The celebrations have the normal "Rotary Business" scheduled. This includes a business meeting, a couple keynote speakers, lunch & dinner, and awards and recognition. There is time to join other activities like the zoo, a steel drum band, folklorico dancers, and zoo handlers with animals!

## Website Tips

By Dennis C. Dorman on Sunday, March 19, 2023

Are you wondering what is planned for Friday's Rotary Meeting? The speaker, the program, the lunch, and the location are available 24/7 on your club website! Here's how you can check for this information:

- Go to the club website homepage.
- In the right side column find the date you are interested in under the "Club Events" list and
- Click on the topic immediately under the date.

A "Pop-Up" will appear on your computer with all the information. Programs that have not been confirmed will be marked as "TBA" (to be announced). The pop-up for March 24th is below. You will need to use the "scroll bar" on the right side of the pop-up to see all the information.
