District Foundation Chair, Bruce Mackey visits Club Selma Tomorrow

November is Rotary Foundation Month and in honor of that, our Foundation Chair, Bruce Mackey, will be here on the 12th. He'll tell us all about the Foundation and where our money goes, and how we can look up our Foundation donations on Rotary.org. We will also announce a couple of ways we will be promoting your Foundation donations for this month. If you are interested in becoming a Paul Harris Fellow, we can make that happen! Bruce's wife, Linda, will also be joining us. Legend's is one of her favorite restaurants. It would be great to have all of us there for tomorrow, and feel free to bring a guest. The more, the merrier will be very supportive of our district leaders.

Celebrating Foundation Month: The Heart of Rotary International

By Michael J. Rabara

Rotary International District 5230

As we embrace Foundation Month this November, it's an opportune time to reflect on the profound impact we, as Rotarians, have on our communities and the world at large. The Rotary Foundation stands as a pillar of hope and change, facilitating initiatives that transform lives and uplift communities through service and generosity.

Every Month is Foundation Month

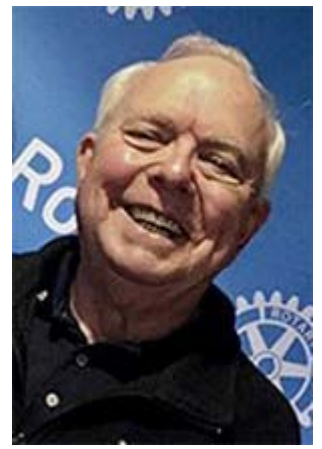

By Bruce D. Mackey

PDG, 5230 Foundation Chair

This month is, on the Rotary calendar, Foundation Month. This is a time to remind Rotarians of all the

good our Foundation does **every month** and hold events to promote our Foundation at the Club and District level. Even as we speak, our District Governor, Immediate Past District Governor and I are visiting clubs to award Foundation recognition Clubs achieved last year.
