TACO BELL BUYS THE LIBERTY BELL

IN AN EFFORT TO HELP THE NATIONAL DEBT, TACO BELL IS PLEASED TO ANNOUNCE THAT WE HAVE AGREED TO PURCHASE THE LIBERTY BELL, ONE OF OUR COUNTRY'S MOST HISTORIC TREASURES.

IT WILL NOW BE CALLED THE "TACO LIBERTY BELL" AND WILL STILL BE ACCESSIBLE TO THE AMERICAN PUBLIC FOR VIEWING.

Program

Edwin "Eddy" Collier, Director, Surveillance Technology at MGM Resorts based in Las Vegas, Nevada.

Eddy Collier, the Director of Surveillance Technology at MGM Resorts and son of our own Bill Collier, visited us early in the pandemic to tell us how the casinos planned to deal with COVID-19. He returned to give us an inside view of surveillance in the casinos. You can tell he loves what he does.

Eddy shared the surveillance mission statement: "We protect our customers, assets and our reputation." In 2019, they identified 462 card counters, initiated/assisted with 13,204 trespasses/walk-outs, and observed 15,106 procedural errors in the casino.

He explained the difference between cheating and advantage play. Cheating alters the elements of chance, the method of selection, or the criteria which determines the result of the game, the amount or frequency of payout or the value of a wagering instrument or credit. Cheating includes bet capping, pinching and card mucking. Accused can be arrested. Advantage play can include card counting and other legal methods used to gain an advantage while gaming. Accused cannot be detained. They can be trespassed or walked off the property.

Eddy fielded some questions. President Terry thanked him and presented him with a flag in our next Field of Honor.

Adjournment

Dave McGovern won \$3 in the raffle. The pot was \$134. Dave then led the group in recitation of the *Four-Way Test of the*

Things We Think, Say or Do.

President Terry Perkins adjourned the meeting at 8:15 a.m.

Recent Club Activities

Here are pictures of Christine Smith delivering garden supplies to Capability Health. We provided seeds, soil, pots, shovel, rake, gloves, and gardening hand tools (clippers, etc.). The gardening supplies were on their wish list, and this is in addition to the work the club did in the fall with helping them move and providing funds for PPE.

Honolulu to host 2027 Rotary International Convention

HONOLULU (Feb. 18, 2021) ♦ Almost one year after canceling its international convention in Honolulu due to the COVID-19 coronavirus pandemic, Rotary announced it will hold its annual gathering in Honolulu for the membership service organization's 118th convention on June 5-9, 2027.

Held in a different city around the world each year, Rotary conventions bring members from all continents and cultures together to learn from each other and various experts, and to share ideas for delivering long-term solutions to the world's most persistent humanitarian issues. Approximately 20,000 Rotary members from 170 countries were expected to attend the event in Honolulu in 2020, which was estimated to bring \$35-40 million into the local economy.

♦After canceling our convention in 2020 due to COVID-19, we are grateful to the citizens of Honolulu for welcoming us again in 2027, ♦ said Rotary International President Holger Knaack. ♦As a global organization that values bringing people together, we look forward to sharing and celebrating our friendships, cultures and service in the spirit of Aloha. ♦

♦Beyond the incredible economic impact this convention will have, the people of Hawai ♦i will be inspired by the humanitarian causes of Rotary International, to include: promoting peace, fighting disease, providing clean water, saving mothers and children, supporting education, growing local economies and protecting the environment, ♦ said John De Fries, President and CEO, Hawaii Tourism Authority. ♦As a global community, Rotary members embody the values we cherish here, in Hawai ♦i. ♦

Organized by Rotary International in conjunction with the Honolulu Host Organizing Committee of local Rotary members, the convention will provide attendees with ample opportunities to experience Oahu's many attractions.

The Rotary Club of Honolulu, chartered in 1915, is Rotary's first club in Honolulu. Today, there are more than 1,470 Rotary members who belong to over 45 clubs across Hawai ♦i taking action on important local issues including drowning prevention, creating green space in Waikiki and helping homeless people receive medical care.
