## Program

The club was treated to two Craft Talks for the morning program.

**Bill Collier's** journey to Rotary started with his father. His father was a veteran of WWII and a founding member of the Livermore Rotary Club in California. After high school, Bill joined the Marine Corp and went to Vietnam. When he returned from overseas, he went to college in Hawaii. He had several

businesses in Hawaii including being a real estate agent, and owning a cellular company on the Big Island. He semi-retired in 2000, but continued to assist returning veterans for over a decade. He is a grandfather to 4 grandchildren, with one on the way.

**Ami Khauv's** journey to Rotary also started with her parents. Her mother has always been active in Rotary and will be District Governor in 2020. Her parents do a lot of international work helping a small village in Cambodia. She was born and raised in Minnesota. Her dad escaped from Cambodia when he was 18 and went to Milwaukee. Her mother is from Taiwan and immigrated with her family when she was 14. Her family now owns and operates a restaurant and hotel. Ami was a gymnast and studied music and business in college. She has been here for 6 years, and works as the Lifestyle Coordinator at Revel Nevada.. Previous to that she worked at Opportunity Village teaching music and dance. She plays the violin, and we are hoping she will play for us one day.
