Program

ANNUAL CHARITY REPORTS

Charity Committee Chair **Mike Soden** explained how our contributions and fundraising dollars are used to fund GVRC community projects. He then introduced the club coordinators of four of the projects we sponsored in the past year.

Christine Smith introduced Assistant Principal Lori Lynch and teacher Elizabeth Sufflick from Sewell School who thanked RCGV for the books given to every student in the school during the Literacy Project. It was a special treat for these children who at times do not even have the basic necessities of life.

PP Duane Frizell welcomed and introduced two teachers from Robert Taylor Elementary who shared how the bike rodeo was such a success that other elementary schools are starting their own programs using our Bike Rodeo as the model. The students, teachers and administration were grateful to GVRC for the helmets, bikes and the safety training they received.

Ted Durant introduced Annie Mack, founder of the Henderson food bank. She thanked the club for the Souper Bowl of Caring food drive and told us that the homeless they feed were so grateful for the extra food they received because of our donations.

Christine Smith introduced Savannah Vincent and Gages Curry, two students who attended RYLA. They shared how much fun they had, gained insights and confidence, and learned leadership skills. It was a great experience and they thanked RCGV for the chance to attend.

PP Mike Peterson presented two Students-of-the-Month from Silverado High School.
