Rotary International News

Holger Knaack, a member of the Rotary Club of Herzogtum Lauenburg-Mölln, Germany, has been selected to serve as president of Rotary International in 2020-21.

The Nominating Committee's decision follows the resignation last month of President-nominee Sushil Gupta due to health reasons. Knaack will officially become president-nominee if no other candidates challenge him by 31 May.

To build a stronger membership, Knaack says Rotary must focus on increasing the number of female members and transitioning Rotaractors into Rotarians.
