It's always great to announce the newest additions to our Rotary Families and this week we get to do it twice. First, Dennis & Trisha Franklin announced their first grandchild, Quinn Piper Robinson. As those of us who have done this before know, there is something special about the first grandchild. It gives us a renewed faith in the future and Dennis & Trisha are excited to join the club that many of us have already been inducted into.

Including Rudy & Susanne Hayek, who also saw a new addition to their family enter the world this week, Misha. Misha was born in Toronto, Canada, so, of course, the doting Grandma Susanne made the journey to Toronto to see their new granddaughter. Susanne being away you may also notice a change in the newsletter as others try to take care of it in Susanne's absence.

Congratulations to both Dennis & Trisha and Rudy & Susanne.

Citizens of the Year

The Rotary Club of Glendora was happy to help celebrate with Gary & Kathy Boyer at their "Citizen's of the Year" Dinner last Thursday sponsored by the Glendora Chamber of Commerce. Rotarian Joe Cina, the Chamber's CEO, put on a great event as always.

The honor of "Citizen's of the Year" recognition is not an anomaly for the Rotary Club of Glendora. Past recipients who were also members of Rotary include Thom Hill, Keith & Dottie Hilliard, Gordie & Diane Norman, Pat Janes & George McGill. Gary and Kathy's longest best friends, George & Debbie Frahm were the host and Tom Strickland did the invocation. Their sons Travis and Daniel, along with Derek and Tessa, their grandchildren, all gave speeches. The program was different than the past events as there was a buffet and a comedian, Adam Cozen's. Derek's speech was the highlight of the speeches making everyone laugh as he surprised us all.

Visit from the Past

We got a surprise this week with a visit from past Rotarian Jim Hayne, who happened to be having breakfast at the Peppertree Cafe last week. When we saw him, we invited him to come this week to catch up on everything the club is doing. Jim has changed careers since we last saw him and is now in Marketing for Small Businesses and living nearby in La Verne after a major move out of State when he last left the Club. It's always good to see old friends and, hopefully, we'll continue to see more of Jim.

Joe Cina educates us All on DACdb and Ignite

As always, we rely on Joe Cina to keep us all up to date on the newest technology that there is. This week, he shared with the club the new Ignite App for our members who were not able to make it to the District 5300 Assembly or Conference. Rotary always tries to keep us informed and create ways for us to communicate. Not only with each other but with other clubs as well, throughout the District and Rotary World. Ignite is the newest addition, which is an App that replaces the old DacBD App. Ignite allows us all the advantages of DACdb on our phones. So now there is no excuse to not be up-to-date. With Ignite, we can now edit our information, communicate, visit our calendar but, most importantly, keep up with everything going on in the District directly on your phone. He couldn't possibly cover everything Ignite does in the timeframe of one meeting, so he offered for anyone to contact him if you have questions or needed help. Joe showed everyone the Glendora Rotary webpage and how to complete the form for the Field Of Heroes. The form says how someone can pay when filling out the Field of Heroes request. He told everyone to make sure and not use Zelle for payments.

Field of Heroes Member Responsibility

The **Glendora Rotary Field of Heroes** is the gift that keeps on giving. Not only is it one of the most moving displays of patriotism, of small-town charm, of beauty, and positive public relations, but it is also one of the main ways our club funds the many wonderful things we do for the community.

Income from the **Field of Heroes** is split between the **Veterans' Centers at Citrus**

College and Azusa Pacific and the Glendora Police Explorers, as well as one additional local organization. The remaining balance will be allocated to our Glendora Rotary Charities fund. From this fund most of our community service projects are funded, including the 30k Meal Packing for Shepherd's pantry, feeding the Trails Days volunteers, the Rotary Choral Concert, sending students to Teen Leadership Camp (TLC) and Rotary Youth Leadership Camp (RYLA), and so much more.

This year's income goal is \$25,000. Our Board of Directors is requesting every club member to be responsible for raising up to \$600. This could be via the sale of individual \$50 flags or the procurement of two \$300 sponsorships, or a combination of both opportunities. If everyone pitches in, this goal is well in hand.

The time is now to invite companies and small businesses you have a relationship with, who might like to support this event and become sponsors. Major sponsors will be noted and recognized prominently in many of our public images.

Gene mentioned the yard signs will be in soon and we need to distribute them around town. We will also be setting up a time to clean the flags and we will be meeting at the bin on Grand Ave across from the nursery.

Pauline the Pig-Rotary Charities

Looks like most members were at the meeting this past Tuesday and our guest, Jim Hayne, was the first person to put money into our pig. Then Tim Moore from Monrovia is celebrating a milestone birthday soon and gave \$100.00 to Pauline the pig, WOW, thank you, Tim. Rudy & Susanne are grandparents again. Susanne hopped a plane to Toronto to be with Misha and will not be back for a couple of weeks. Dennis & Tricia are new to being grandparents and looking forward to enjoying their first grandchild. Mike & Teresa went to the Citizens of the Year, and it was the first time they had been to the Glendora Country Club and were excited to donate to Pauline. Gary donated and thanked everyone who came to the event and told everyone Derek is available to be rented out for any future events they may have. Tom was happy that he was able to do the invocation at the Citizen's of the Year event. Steve Garrett brought in a new member and thanked Sara for a great job bringing him in. Lisa mentioned her brother's services this Friday, April 25th at Todd Memorial Chapel in Pomona at 2:00 pm. Of course, Falamack made her usual weekly donation, along with Ray Malki & Gino.

Karen Davis, the minister at First Christian Church, sent us a thank-you letter for the donation of \$1,000.00 for Shepherd's Pantry.
