Dear people in the city of Montebello,

Hello, my name is Sawa Tamada and I am currently a junior in high school. I grew up in an international school my entire life and my hobbies are to dance and sing. I feel very honored to be part of this amazing program this year and I hope to bring back Ashiya something valuable and precious so that I can contribute in improving our city and the bond between Montebello and Ashiya. While staying there, I want to visit places full of nature as I love being surrounded by nature. I look forward to all the experiences that are being planned and hope to have a great time there with you all!

Sincerely,
Sawa Tamada

Birthday: October 6, 2002

Email: okarin1600@gmail.com

Dear all,

Hello! My name is Rintaro Okazaki.

I'm 16 years old and 11th grade. My hobby is to listen to English music and play the acoustic guitar. My favorite artists is the 1975 and Panic! at the disco. So if you have any favorite artists, please share with me!!

When I visit Montebello, I would like to go to Ashiya park! In that park, I heard there is a cherry blossoms tree. And it's so interesting for me because I had thought cherry blossoms are grown only in Japan.

I am not really good at speaking English. So I hope I can improve my English by communicating with you. I am looking forward to meeting you!!!

Sincerely,
Rintaro Okazaki
