## Economic and Personal Strength through Influence

The Club welcomed Lynn Matalon as Wednesday's speaker. Lynn's expertise is "influence".

Lynn is passionate about empowering organizations and individuals with the skill-sets and knowledge required for creating enormous influence and substantial impact for economic and personal growth.

Lynn founded the Influence Economy to share her wealth of knowledge of the power of influence to accelerate development, leadership, communication, synergy, flow and impact from workplace to home-life.

An MBA from Hult International Business School, and a Bachelors of Arts in sociology from UCLA have positioned her with the perfect combination of business strategy and interpersonal skills and awareness.

Find out more about Lynn on her website [influence-economy.com](http://influence-economy.com).
