Corporal Scott Howard Delivers Active Shooter Training

Run! Hide! Fight!

In that order. If you find yourself near an active shooter: **RUN!** If you can't run, **HIDE!** and If you can't hide **FIGHT!** You can do it, fight back. You are far braver than an active shooter.

Corporal Scott Howard, Montebello Police Department Community Relations Office delivered a program on Active Shooting Training. Corporal Howard reported: The FBI defines an "active shooter" as one or more individuals actively engaged in killing or attempting to kill people in a populated area.

How do I prepare?

- Be aware of your surroundings.
- If you see something, say something.
- Look for exits everywhere you go and have an escape plan.
- Teach your family the same principles.
- Identify ways to barricade your area.
- Keep emergency supplies.

Corporal Howard is available to conduct presentations for businesses and organizations. His email is showard@cityofmontebello.com.

The Pink Patch Project is a public awareness campaign to bring attention to the fight against breast cancer and to support breast cancer research. The project is a collaborative effort between the Los Angeles County Police Chiefs' Association and public safety agencies in Los Angeles County and beyond.

Sneaky Pete...

Will Finemaster Pete ask questions from this Bulletin or past Bulletins. Nobody knows.

- I recommend offering "**hydrogen**" if you are asked what makes up 90 percent of the known universe.
- And say "**Kiwi**" if the subject of the national bird of New Zealand naturally comes up in conversation.
