The Census is Much More Than a Head Count!

Partnership Specialist Fred Mariscal from the United States Department of Commerce U.S. Census Bureau broadened our awareness of the 2020 Census.

The Census provides a picture of our nation that helps determine where to build new schools, hospitals, and businesses; how federal funding is distributed; and how congressional seats are apportioned. It also helps us see how our communities have changed over time.

That's why an accurate count is very important!

Census Day is April 1, 2020

You can complete the 2020 Census

- Online.
- By Phone.
- By mail.

The questions are brief and the answers are confidential.

United States Census 2020

George B. Pacheco
International Service Chair

Barbara Risher Welch
Membership Chair

Martin V. Castro
Rotary Foundation Chair

Richard L. Adams II
Vocational Service Chair

Alexandra M Soto
Youth Service Chair

Fred is available for presentations. You can contact him at Federico.L.Mariscal@2020census.gov.

Have you said "get a job" to anyone in your family recently?

Next time say "Be a Census Taker!"

Apply online at 2020census.gov/jobs.

Lu's Coming to Lunch Wednesday!

District Governor Luanne "Lu" Arredondo is visiting our Club Wednesday. President Manny asks us to wear Rotary jackets and shirts. Everyone is encouraged to attend this very special meeting.

Will there be time for Fines?

Maybe not this week. However keep in mind...

- Lithium is the lightest of all solid elements.
- Mercury is the only metallic element that is liquid at room temperature.
