Principal Dr. **Eric Crespo** presented to the Rotary Club of Montebello at its August 28th meeting. As he begins his 3rd year as Principal, Dr. Crespo shared some of the history, as well as the recent success, improvements and goals the local Catholic High School campus has in sights. With growing enrollment, and 14 AP and 14 honors classes, the school prides itself on high academic rigor and curricula, to prepare its alumni for next steps in education and college.

Principal Crespo shared that even though the school may have a smaller total enrollment compared to other High Schools they have remained competitive in athletics in their divisions. It was also apparent the school is proud of its recent and continuing efforts to develop both its academic and physical education & team sports infrastructure.

At the City's Counsel Meeting Wednesday evening 8/28/24, the Rotary Club of Montebello was presented by the City with a donation that was also made to other Services Clubs and Organizations. The recognition was for the respective groups/clubs legacy and future efforts to impact and support the Community of Montebello. **Thank you City Counsel!**

Foundation Chair Update: **Martin Castro** reminded us that voluntary \$25 per quarter Hensel Foundation charge goes a long way to helping Rotary International with its many wonderful objectives and projects. And as a source of pride, and the commitment to the mission of Rotary, as a Club we also want to collectively strive for 100% participation from our members with the Hensel Fund donation.

Member **John Loussarian** and Director of the Montebello-Commerce YMCA, reminded the Club in the AM on Saturday 9/7/24, the YMCA will be hosting its Senior Care Expo, as well as its Annual Gala at Quiet Cannon on 9/13/24.

**Richard Adams** also issued a call to the Club for Volunteers to assist with our Youth Services activities, Music, Speech and Essay contests. Thanks to **Bobbie, Eddie, and Darlene** for stepping-up.
