## Treasurer Kim Cobos-Cawthorne Explains the Rotary Club's Corporate Membership

Wednesday, 8/21/24, Quiet Cannon

Club Treasurer **Kim** provided an update to the Club regarding all things accounting related. This included her report that the Rotary Club of Montebello is rolling out its Corporate Membership plan. The Club ratified this membership type previously and has now been given all the additional approvals to proceed. Now with the roll-out official, Montebello is possibly the first Club in the District to have adopted a Corporate Membership.

The Corporate Membership allows the Primary Member the typical benefits of a Rotary International dues paying member, but also allows the supporting corporation FOUR (4) proxies/representatives that can attend with and/or in place of the primary member.

This allows our Club an opportunity to expand impact and influence in the community and encourages companies an opportunity to support the common goals and objectives that Rotary as a service organization promotes. **At Rotary, we provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.**

Additionally, as part of her duties and role as Treasurer, **Kim** reminded the Club she is available the first 15 minutes at the beginning of each Club meeting to address any membership dues questions anyone may have. And if not finalized at that time, to hold questions until after the meeting.
