Pasadena High School Junior Paulina McConnell won the Rotary Four Way Test District 5300 Western Regional Speech Contest Wednesday, April 10. She will next compete at the District Finals on Saturday May 18 at the Sheraton Pomona Fairplex.

Congratulations to the runners-up: Shandra Kwok, Schurr High School. Amrutha Marlapati, Arcadia High School; and Elizabeth Ma, Mark Keppel High School.

This year the contest's theme was *Create Hope in the World*. Rotary Clubs throughout the District invited students from local high schools to compete. Students were asked to share perspectives on the Four-Way Test.

Each speech was required to be based on Herb Taylor's famous statement on business ethics.

"Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"

Understanding, appreciating, and expressing the true meaning of the Four-Way Test is the most important aspect of each speech. Many times, the students' thoughtful speeches unravel the complexities of Four-Way Tests in new and innovative ways.
