USAF Major Nathan Welch Volunteers for Mission Flight

Compassionately Connecting People in Need with Hope, Help, and Healing

United States Air Force Major (and Barb's eldest) talked to the Rotary about Mission Flight and Mission Flight Academy. Nathan (we can call him that because he's family) is a pilot and training volunteer.

Mission Flight initiates, organizes, and leads trips to serve communities with significant need. The organization focuses on communities that are either remote or very difficult to access by ground. Areas include Mexico's San Quintin, Sinaloa, and Nayarit. Nathan helps fly in doctors, nurses, and general volunteers on 3-4-day trips to staff dental optometry clinics in conjunction with local churches in the neighborhood.

To date, Mission Flight has completed over 1,200 flights serving 6,800 people. Most of those served are laborers who often lack the finances for medical care. Many suffer from a variety of health concerns that stem from working conditions and diet.

Donations Help

Consider making a tax-deductible donation via the website MissionFlightAcademy.org. Consider joining the team. Volunteers are always needed.
