Sacred Heart of Mary Sophomores report back regarding RYLA & A Future Interact Club

Rotarian **Bobbi**, Sacred Heart of Mary ASB + Future Interact Students, President **Denise**, Asst. Prin. **Ms. Ponce**, Rotarian **Richard**

Sophomores **Ethan Baltierra & Isaiah Martinez** shared their experiences with recently attending RYLA this past April. The Rotary Club of Montebello supported the students opportunity to attend the Rotary Youth Leadership Academy.

Sophomores and Juniors from the relatively large geographical area that comprises Rotary International District 5300, are bused into the mountains around Lake Arrowhead, in which they interact with one another in a large cohort for a weekend. The setting is a tranquil and nature-rich environment, during which leadership workshops and group breakout and projects are designed to help the students develop communication and leadership skills. So that when they return to their schools and communities, they can deploy and impart the skills they've hopefully learned, as well as support their communities.

The students specifically commented that about an amazing opportunity to network and communicate with their student peers from a fairly large geographical area, and that some of them still keep in touch. They were glad to attend and have some new experiences, and enjoyed helping with a food distribution and service project while at the camp.

Another pleasant outcome of this, were the seeds planted for another the local Montebello high-school to establish an Interact Club. With Asst. Principle **Ms. Ponce's** assistance and guidance, the Rotary Club will also be looking to support the newest new Interact Club in the community during the next school term. Congrats!
