# The City Budget Is Balanced

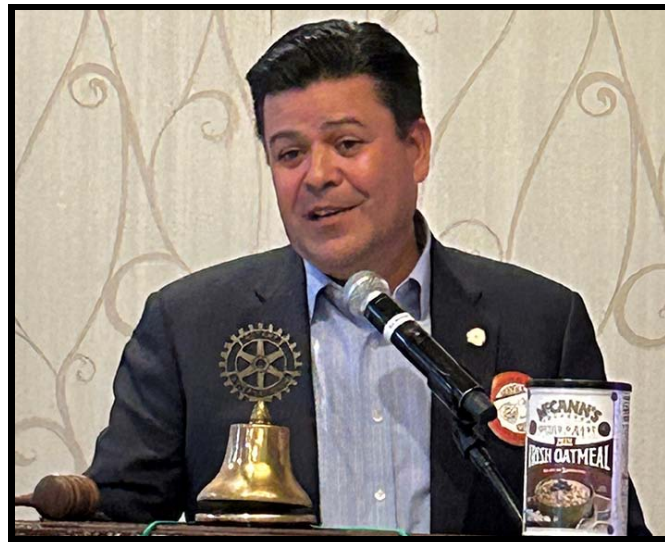

## We have a new logo!

The city has a new color scheme and a new [website](#), which is easily navigable and puts the city firmly into the 21st century.

City Manager and Rotarian Rene Bobadilla announced the launch of the new [website](#) just one month ago.

- The website is easily viewed on a mobile device.
- Just about everything imaginable has been migrated onto the new website.
- Many city functions (including public records) are now paperless!

According to Bobadilla the city approved a nearly \$68 million annual budget projecting a \$695,700 surplus. The budget also proposes a \$6.5 million increase in spending to nearly \$68 million.

Bobadilla reported that for at least 22 years the city has not balanced the budget. The city's first balanced budget was in 2020-2021, which was also the first full budget cycle Bobadilla was the City Manager.
