## Three Community Leaders Join Rotary

### Richard Reyes introduced Rotarian Dr. Jelani Winslow.

Jelani attended Valley High School in West Covina and UC Berkeley. He established an interest in dentistry and went to Temple University in Philadelphia, Pennsylvania. After dental school, Jelani returned to southern California for a residency at Rancho Los Amigos. He took over Dr. Ralph Hansen's Whittier Blvd. practice in September 2019. Six months later COVID-19 shut down the county. Jelani will tell us more about that when he delivers his Shop Talk.

### George Pacheco introduced Rotarian Sarkis Sandukhtyan.

Sarkis was born in Armenia and came to the United States with his parents and one brother. They settled in Pasadena. Sarkis went to high school and then began work in the service industry. One of his first jobs was with Hyatt Regency. Sarkis established the *Montebello Reporter* with dear friend and forever Rotarian Gil Espino. Although many had told Sarkis and Gil that the paper would never be successful, the *Montebello Reporter* has been a strong part of our community for eight years.

Betty Peralta introduced Rotarian and Council Woman Angie Jimenez.

Betty said the moment you meet Angie, you feel like you have known her forever. Angie and Betty were both members of Soroptimist Interantional.

Angie said that she has been impressed with the people who join the Rotary Club of Montebello. She mentioned many members including Denise, Barbara, and Paul. Angie believes in giving back to the community. She is excited to join Rotary and be part of our many projects and programs.
