TopGolf is a sports entertainment complex that features an inclusive, high-tech golf game that everyone can enjoy.

TopGolf Montebello features:

- More than 100 all-weather climate-controlled hitting bays outfitted with complimentary clubs;
- A sports bar, a restaurant, and a rooftop terrace with fire pits featuring quality food and beverage menus;
- Private event spaces.

TopGolf's patented technology allows one to track the golf ball and accurately score each shot based on the target it enters. TopGolf Montebello will have Toptracer technology, allowing the golfer to see a real-time trace of the ball's flight path as well as insights into speed, distance, angle and accuracy.

Each bay comfortably accommodates 6 people with a max of 6 playing the game, but up to 8 people can be in a bay. For safety reasons, only one person can hit at a time.

Go to [TopGolf.com](https://www.topgolf.com) for more information featuring:
