February 14th PROGRAM: Supervisor Kathryn Barger, who proudly serves the residents of Los Angeles County's 5th Supervisorial District the county's largest will be our program speaker. Supervisor Kathryn Barger proudly serves the residents of Los Angeles County's 5th Supervisorial District the county's largest spanning 2,800 square miles, which includes 22 cities and 70 unincorporated communities in the San Gabriel, San Fernando, Crescenta, Santa Clarita and Antelope Valleys.

The Votes were tabulated, by our esteemed judges for **DAN STOVER MUSIC CONTEST** and the winners were announced. First place went to **Ms. Melissa Brassard**, who is a 12th grade student at Westridge. You may recognize the last name. Melissa's father Paul Brassard was in attendance last week to watch his daughter take first prize. \$300.00. She will now advance to next level of the competition and could eventually play at the District Assembly. Mr. Michael Law from Southwestern Academy won second place, and Ms. Lily Zhu, also from Southwestern Academy won the 3rd prize. Fourth place was taken by Justin Leung from San Marino High. Many thanks to Mr. Georg Ettinger for coordinating the annual event.

Will Bortz stood and announced that THE PAUL HARRIS luncheon is scheduled to be held March 14, 2019 at Haaga Hall at the Huntington Library beginning at 11:30AM with a reception and lunch at 12 noon (it is scheduled to end at 1:30 PM). All members of SM Rotary have prepaid but must RSVP. Guests are welcome but the charge is \$60.00 in addition. Invitations are going out soon.

Friends in Deed, that's spelled with a **D** Barbara Bice, whispered across the room at the Rotary meeting last week. She also said we **need** to donate SOCKS and to bring them next week to the meeting.

RYLA interviews will be conducted in late February. Leading the way and organizing the committee is Rob Feidler (ringer for any golf competition, big baseball fan, and real estate extraordinaire) Rob announced that we can take 14 students from our area this year. We usually only have ten but the four extra student are with help from the South Pasadena club. Thanks, South Pasadena Rotary!

Baseball is almost here. Those who love baseball, like our Rob Feidler should

be sure to see at least two games this season. San Marino High School will play a Southwestern Academy twice. February 19th and the 27th, at the Del Mar Field at 3:15. Bring your sunflower seeds, and maybe some sunscreen.

Kudos to Jon Donovan, who has been a big help to Ken Veronda. If you don't know, Ken is on the mend from a back injury and Jon has arranged for Physical Therapist and Home Care specialist to see Ken a few times a week. It's nice to know who to turn to when you need a helping hand.

Save the date for ROTARY on the Town with the Chinese Club. February 23rd, 6-9:00, at the San Marino City Center. For more information talk with Grace Yang, or Shawn Chou

Build relationships, good will and a home in Tecate, Mexico. Contact JP Mainguy for the Corazon build, which will happen **Saturday, April 13**. Linda Wah cares about education. Linda sent a link to **The Linked Learning Spring Summit**, March 15, 2019 from 9:30 a.m. to 3 p.m. She would like to invite all CTE teachers, Linked Learning Pathway teachers, stakeholders from school districts, industry partners and anyone who is interested in learning more about Linked Learning, CTE and being part of this wonderful community. For this event, we are scheduling a plenary address, which is then followed by launch of a **mobile app (m-CoP)** developed by our Cal State LA Research team to support Communities of Practice for the GREEN pathway teachers. The app is specifically designed to allow pathway teachers and students to collaborate, network and share projects. The last two events will be panel discussions on: Best Practices in Pathways Teaching and CTE Teaching. **The registration fee for the event is complimentary for all the participants; seating is limited, so please sign up ASAP. PDG Steve Garret says the Rotary Club of San Marino has an opportunity to shine at almost no effort or cost. There is a new Rotary club forming and we have been given the opportunity to be the sponsor of this club. This new club will be the Rotary E-Club of District 5300. It will be a club the meets on Facebook. Members may visit any bricks and mortar club or attend an online meeting. The online meeting consists of watching any of the available videos on a weekly basis. The members will be encouraged to participate in a service project offered by a bricks and mortar Rotary Club or do a few hours of service on their own schedule and in their own way Annual dues are expected to be \$300.
