DON'T expect to see Fang Ho at the Rotary next week as we are **DARK**. Fang announced at our meeting, that we can all see each other the Rotary on the Town event.

The Rotary on the Town with the Chinese Club is set for **February 23 from 6:00-9:00 pm** at the San Marino City Center. Grace promises this event will be fun. There will be a photo booth, Chinese calligraphy booth, and a paper cutting booth. Also, if you want to know if you will be lucky or not in 2019 you can stop by to see the fortune teller (If his disguise isn't too elaborate you may recognize him). There will be a dragon dance, and a drum and dance show. Grace says one of highlights will be the lantern show. We will collect and display traditional style lanterns and a few news styles as well. Gambling is an important feature in the New Year so we will have a 50/50 game, matching game and a raffle. There is an **open bar** as usual and we will offer a traditional Chinese drink. For more information about the event talk with Grace Yang, or Shawn Chou

How many students has Barbara Bice counseled? It seems like they all go on to professional careers like Kathryn Barger, who was our speaker at Rotary this past week. Kathryn began by commending Barbara for helping steer her in the right direction during high school. It is obvious that Barbara's help and guidance paid off. Kathryn spoke and then took questions about homelessness issues. She cited mental health problems as a primary reason why people are on the streets and are resistant to social services. Her candid talk was well received with nearly 100 people in attendance.

This is the first year the San Marino Rotary Club is offering scholarships to high school students from Southwestern Academy and San Marino High School who are planning to attend a 2-year, 4-year, college or vocational school. **APPLICATIONS** See the application form in Adobe Reader and it can be filled in online and saved to your computer. San Marino High School's baseball team will play against Southwestern Academy's team on February 19th at the Del Mar Field at 3:15. It's a rare chance to see two San Marino teams play each other.

accompanied by six other members of the club will be visiting San Marino Rotary on Thursday Feb. 28. JP Mainguy says he first met Rogelio in Tijuana in April 2015. Since that time the San Marino club has worked on many projects with the Tijuana club, including the water project for Raul Anguiano kindergarten, soccer field project for Angela Peralta Elementary School and Rotary reader's program for two schools in Tijuana.

Jeff Shimamoto, who was nearly our Rotary President, is now General Counsel, Head of Corporate Legal & International Business Development. He is back in town for few weeks. He was invited by our current President, Fang Ho to attend our meeting this week. Jeff has been living in Shibuya, Tokyo and it seems like Japan is treating him well as Jeff looked to be in good form. We hope to see more of Jeff.

Build good will and better friendships in Tecate, Mexico. Help with the Corazon build, which will happen **Saturday, April 13**. The South Pasadena Rotary club will work jointly with San Marino Rotary. Please contact (jpmainguy@gmail.com) and/or Dan Watson (danielbwatson@aol.com) with any questions.

Isaac and Fang are going to the Peace Conference on Feb 23 at the University of Laverne. The *Peace and Conflict Resolution Month*, is arguably one of the most important months of the Rotary year. Merriam-Webster defines peace as, ♦a state of tranquility or quiet♦. I ask that you consider, for a moment, how are you, your fellow Rotarians, and family members, contributing toward a more peaceful community? For more information about peace conference please go online or see Fang Ho or Isaac Hung.

Upcoming Program on February 28th will be Dr. Tye Jackson., who will speak about teaching to learn and the pathway to career success.
