DAN STOVER MUSIC CONTEST - Georg Ettinger is our program chair this Thursday. Four students (two from Southwestern Academy and two from San Marino High school) will compete for \$1,000 in prize money, and the opportunity to represent San Marino Rotary at the zone competition. The winner of the zone competition then heads to district competition.

GREG JOHANSING, our President Elect reports that he had the pleasure of attending the 2018 Rotary Humanitarian Star Awards last Thursday at the University Club of Pasadena. **Greg** was hosted by Marilyn Diaz, President of the Rotary Club of Sierra Madre. Greg rubbed shoulder with DG John Chase and DGE Luanne Arredondo and say that he was very impressed with the turnout, excitement, and quality of the event. The award recipients and nominees were all so impressive in their achievements. www.rhstar.org

MORE on the FOUNDATION-The hard working foundation committee people lead by Will Bortz have Will Bortz's Foundation committee (Bortz, JD Mainguy, James Nash, Isaac Hung, Greg Johnasing, Aaron Gil and Bill Payne, and others) interviewed Global Scholar candidate Jacqueline Chen, currently a senior at Harvard (and a Titan) for a Masters in England likely one of the big three: London School of Economics, Cambridge or Oxford. Her Rotary focus is Economic Development. She hopes to eventually serve policy makers understanding and correcting the wide disparity of drug prices in the US versus the rest of the developed countries. Her application is now with the District GG chair, Raghada Kourey.
