**Fang Fang Ho** reminds us all to be ready for the annual Motor Classic, June 9 from 9:00am-3:00 pm. Rotarians, you may start your engines, get fueled up and start stretching for the long but fun day. Bring enthusiasm and some sunscreen. It is a time when Rotarians can show the true meaning of service above self.

**Maurice Saldebar has been inducted.** We hope it didn't hurt too badly Maurice. We know that he will be an active Rotarian continuing to help with San Marino High Grad Night, Parent Party and various organization such as little league, and the boosters at the high school. He's a resident of San Marino and proud single father of two girls, Lindsay at UC Berkeley and Margot a sophomore at San Marino High School.

He is the recipient of the Heart of Gold Award and the Founders Day Award. Professionally, he has his insurance license and works with colleges and schools on supplemental retirement. Most recently, he has become a part of the Jones Family of Jones Coffee in Pasadena. His classification will be Financial Advisor/District Sales Manager for Jones Coffee.

**Community Events- Bob** Houston has been diligent about updating people in the community about upcoming events. We appreciate your good announcements Bob. Please note that there is ONE big correction. Graduation time for Southwestern Academy is at **noon** on Thursday June 6<sup>th</sup>.

now online. Hopefully D5300 matching funds will be available in July 2019. We will consult with Franz before submitting proposal to SMR board, D5300 and RI for approval.

- Bicycles for Armenia - Sebouh Bazikian of One Bicycle Foundation gave a presentation of his non-profit organization, and the bicycle program in Africa and other parts of the world. He will provide more information as to his activities in Armenia including the possibility of working on a global grant project.
- Reverse grant ♦ the PreK program is by Families Forward in Pasadena. Have consulted with RI whether such a project (\$40K) will be approved for a global grant. Will consult with D5300 whether matching grants could be available for the 2019/20 Rotary year. If the input is positive, then will write up a draft proposal and approach Rotary Clubs in Taiwan and Tijuana to be International Clubs for this project. May also approach Pasadena Rotary if more funds are required. Need budget of \$3K from board.
- Budget for 2018/9 ♦ since D5300 has no matching funds for this year, the budget of \$16,000 has been used for non-global grant projects, such as Corazon House Build, Cambodia Fish Tanks, Cambodia Coconut Plantation and Uganda School Water Collection projects. Mead fund is needed as a reserve. Donation of \$1,000 received from Fred Sohl.
- Budget for 2019/20 - will request a budget of \$16,000 from board to be used for Tijuana global grant project, Corazon House Build and other projects such as Cambodia Aquaponics and Uganda school.
- Charlie Mead Fund ♦ the fund has been reduced by the Charities board by \$3,500 to about \$4,333.61.
- San Marino Rotary website ♦ will be updated from time to time.
- Committee for 2019/20 ♦ JPM will be Chair of International Service. Proposed Co-Chairs for International Projects are SC, SJ and AK. Committee now at 19 members.
- Next meetings ♦ the next International Projects committee meetings will be held on June 27 and July 25 and Aug. 29 at 1.30 pm. The dates will not conflict with SMR board meetings. Stephanie has invited everyone to a cocktail party on 6/9 at 4 pm at her home to welcome Franz & Laura Reinert.

?????? **PROGRAM for June 13** Loren Kleinrock will update the Rotary about the State of Unified School District.
