THE PAUL HARRIS LUNCH at the Huntington is on March 12<sup>th</sup>. By now you have RSVP♦d... or you haven♦t. We expect to hear from Larissa Philipps, who is a past Global Scholar recipient. This is always a highlight of the program and it is sure to be again. Be on the lookout for Denise Wadsworth, who is putting a group of volunteers together to meet and greet attendees.

This will be our club's 42nd Annual Paul Harris Fellow Recognition Luncheon.

It will honor John Quinn, long-time president of the Old Mill Foundation, who has served that organization with distinction, creativity and growth. He will receive our Club's 71st Honorary Paul Harris recognition.

Larissa Phillips, our Club's 23rd Scholar, attended the London School of Economics in 2017-18. Her area of focus was Economic and Community Development. She graduated from San Marino High in 2013 and from Dartmouth College in 2017 with a degree in Development Economics. Her scholarship was for \$60,000. Larissa's Host Club was Battersea Park. Her parents are Regina Wong and Rick Phillips, residents of Russet Lane.

**GREAT NEWS!** Anna Enger, who was interviewed by our club, is one of the three Global Scholars this year from District 5300. Bill Payne should receive praise for his continued work with the Global Scholarship process, and for bringing candidates to our club for interviews. We are happy to see Anna receive support from our club and from the District. Now Anna has to find a place to live in Paris. Anna will be pursuing her master♦s degree in International Public Management at the Paris Institute of Public Studies. Anna is a former RYLA award winner and YMCA youth leadership delegate. Perhaps, JP Mainguy knows which district Anna should live in while attending Po♦s International Public Management program. District #1, maybe?

Chantay BenShimon

Anna Enger

Natasha Oviedo

District 5300 has committed its three scholarships for 2019-20 to:

Chantay BenShimon, Peace & Conflict Prevention/Resolution, University of Tel Aviv, sponsored by the Las Vegas Club, Karen Whisenhunt

Natasha Oviedo, Peace & Conflict Prevention/Resolution, Queen's University, Belfast, sponsored by the Sierra Madre Club, Marilyn Diaz

Anna Enger, Economic & Community Development, Paris Institute of Political Studies, Sciences Po, Paris, sponsored by the San Marino Club, Bill Payne

Each of these scholarships is in the formal online application process, subject to final approval by Rotary International. Two, maybe three, Global Grant scholarships will be available for the 2020-21 Rotary years, with interviews that could begin in July.

**FIRE CHIEF MARIO RUEDA** made a sobering but also calming announcement about COVID 19. He shared a ♦What you need to know about the coronavirus devices 2019 (CoVID 19)♦ handout. What is it? How it spreads? Symptoms? For MORE information go to [www.cdc.gov/COVID19](http://www.cdc.gov/COVID19)

**FOR YOU FANS & FANTASY NUTS- MLB OPENING DAY** is on March 26, when all 30 teams play.

Assistant Governor

Both San Marino baseball teams are already in action. These past few weeks the San Marino Titans played well to beat Mountain View 10-0 but lost to a strong opponent in Upland 9-1. The Southwestern SUN also went one and one, losing to Pasadena Poly 5-3 but bouncing back to beat St. Monica at Southwestern's first home game 4-3. As of this writing, San Marino will host a rival game against South Pasadena, and Southwestern has a home game against Environmental Charter. Let's hope that both home teams are successful.

**BABY UPDATE! DREW JOHANSING** gained 6 oz. and is now at a proper fighting weight. Now if the rest of us could just manage to keep our weight stable we'd be okay. Keep on fighting the good fight all you Rotarians. I think a few of us are in danger of putting on more than 6oz. We are happy that Greg is keeping a watching eye on Drew. Devlin's twins are both over 10 pounds now, which is good to hear. We were surprised at Devlin's initial announcements that both babies were around 4 pounds at birth. All healthy now!

**WALK! WALK! WALK!** If you want to stay healthy try to keep up with Lois Derry. Every morning she slips on those fancy pink running shoes and pads along the sidewalk down past Southwestern Academy, and back over near Mission. I can time my watch by Lois! If I see her walking north on Los Robles it must be 7:30 am. Way to go Lois! Now we gotta get Steve to put on his pink sneakers, sans socks of course, and see if he can keep up with Lois.

**MEET & GREET** was planned by Gilda. This last week, we had a meet up for Team Referral Network at Mike and Anne's in South Pasadena. It was a chance to socialize and talk about our businesses. Yes, people loosened up a bit, and had few drinks and appetizers. Prizes were awarded in a drawing, and more than few a Rotarians were in attendance. Bryan, Claudia, Molly, Gilda, Russ, Devlin, Fred, were all there to meet and greet. If you looking to meet new people and talk about your vocation, this is a good meetup to attend. Listen for Gilda's announcements.

**THE SAN MARINO TRIBUNE** has a smaller look to it, but Mitch's name still looks good atop the fold. He wrote a nice article about the facilities bond in the Friday March 6<sup>th</sup> edition of the Tribune. His writing inspires hope in his readers. It is great to see someone connected to San Marino, who knows the issues and has a passion for what he writes. The San Marino Rotary got it right when they named Mitch a Paul Harris Fellow. We are sure to see Mitch around next week, to celebrate John Quinn being named as the 42nd Paul Harris Fellow.
