## The ROTOSCOPE of San Marino Rotary Club for March 21st, 2019

**Will Bortz started the Paul Harris Luncheon** with a brief introduction about the history of Paul Harris and the selection of the annual Paul Harris Honoree. Will was pleased to introduce Fred Sohl, who then talked about this year's honoree, Mr. Robert Horgan. Fred talked about feeling privileged to have worked and lived in the town of San Marino that celebrates annual events like the 4<sup>th</sup> of July Parade, Christmas House on Huntington Drive, and especially the San Marino High School Grad Night. Fred explained that honoree Robert Horgan was part of the ♦old guard♦ and Robert's job now is to help make the annual Grad Night come to fruition. ♦Robert, who has worked on 44 of the 64 Grad Nights, teaches the neophytes how to build,♦ said Fred. Robert stepped to the microphone and talked about what a pleasure and learning experience it has been to work to help build the annual Grad Night. Robert said, ♦The camaraderie and friendships have taught me so much.♦ He thanked many people but especially Bill and Mary Payne who have been long-time supporters. Robert also commended the Rotary for their manual labor and for dealing cards and manning the gaming tables each Grad Night. Many of Robert's family and fellow builders were in attendance to watch him receive the deserved award. Robert truly understands Service above Self.

**Before Bill Payne** introduced the Ambassadorial Global Scholar, he recognized Rotarians for their support of the program. Bill also recognized the San Marino class of 1958, several of whom stood and received applause. Our Global Scholar, Gaelen Stanford-Moore could not have been more impressive. She received her secondary schooling in South Pasadena, but really had an education that involved traveling the world with her parents. Her parents, who are both Ph.D.'s took Gaelen along when traveling and studying anthropology to various parts of the world. Gaelen spoke about disease prevention and titled her talk ♦Health without Wealth.♦ She highlighted the socioeconomic issues that make disease prevention a challenge.

Gaelen is the San Marino Club's 2nd Global Grant Scholar. She received her Master's Degree from Cambridge University (UK) in Public Health. She was a 2008 Tournament of Roses Princess. She is a 2012 Summa Cum Laude from the University of California Berkeley, where she majored in Molecular and Cell Biology, with a minor in Global Poverty and Practice.

She completed her third year of medical school at the University of California,

San Francisco, before deciding to take a year off for the Masters opportunity. Her Rotary Scholarship was worth \$60,000.

With a Disease Prevention and Treatment focus, her plans are for a career as a physician dedicated to global health research and medical care for the underserved. While at Cambridge, she studied treatment options for Kenyan children with severe febrile illness. Gaelen mentioned a breakthrough medicine, **Truvada** that helps decrease the transmission of HIV to those who are in monogamous relationships with HIV positive partners.

Currently, Gaelen is completing her residency at UCSF and is also focusing on Ear, Nose, and Throat medicine.

**Chief of Police, John Incontro** is our program speaker next week, March 21<sup>st</sup>, 2019 at 12:00 pm. The topic will be **Crime Fighting**.

**Say hello to our newest members** of San Marino Rotary. On March 7<sup>th</sup>, 2019 Mr. Ting Wang, Mrs. Stephanie Johnson, and Mrs. Evi Darmali were inducted.

**Congratulations** to Jeanne Cornwell. Ken Veronda reports that Jeanne was married recently by Pastor O'Grady of the Presbyterian Church. The groom is her high-school friend from Brawley, California. Her room at Monte Vista Grove LLP is set up with two beds side by side. The two were high-school sweethearts, but his family called him back to Ohio to live. They have hardly seen each other all these 66 years. (They lived on West Drive for 66 years.)

**John Jones and Will Bortz termed the event a Pinfest.** On March 7<sup>th</sup> at our Rotary meeting, John Jones helped deliver pins to Ariana BASSERI, John CHANG, John DONOVAN, Fang HO, John JONES, Chuck MILLER, James NASH, Russ OSMONSON, Denise WADSWORTH, and Grace YANG, who were in attendance to receive their pins for Rotary donations.
