The ROTOSCOPE of San Marino Rotary Club for May 23, 2019

The craft talks always seem to please. Rotarians had the pleasure of listening to Cecily Gardea, a graduate from Cal State Stanislaus in 2015, has been helping our future leaders with the Scouts. Cecily talked about her time in the Scouts and her family. She said about 70% of her daily life is devoted to the Scouts.

Graduation for San Marino High School is May 31, from 7-8:00. Later that night. The Grad Night celebration at San Marino High will need Rotary Volunteers to deal blackjack or Texas hold-me. . Please contact Maurice G. Saldebar SMHS2019 Grad Night - Casino Chair 626-376-3642

Help celebrate July 4th but also help Debbie Priester by making the parade run smoothly. The City of San Marino will hold its annual celebration on Thursday July 4th at Lacy Park. If you want to attend you will need a wristband to enter the park. More information about the event calls 626 943 2627, or visit the city website. The Recreation Department. City Hall, and the Crowell Library will help with the wristband sales (\$20).

The Crowell Library is offering a Creative Writing Workshop for adults. Sunday July 14th at 2:00. Interested Rotarians can sharpen their writing and use the skill to contribute to the rotoscope.

A spelling correction from Ken Veronda. The aforementioned formation and charter of the Cal Sate Roteract Club should be listed as the Rotaract Club. Very minor correction: "Roteract" should be spelled as "ROTRACT" Got it Ken thanks for catching the error.

Sunday June 9th - SM Motor Classic at the Lacy Park- Remember that one of the goals is to get people to the park. If you have tickets that you cannot otherwise use, please see Isaac Hung. He'd be happy to get them into the hands of someone who might like to attend.

An update and thank you to San Marino and South Pasadena Fire Department and Paramedics. Mr. Chuck Thomas, who is the long time business manager at Southwestern Academy is doing well. He recovered from a mild stroke after being treated and cared for initially by SM and South Pas Paramedics and Fire. The crew arrived on the scene within moments of Mr. Thomas stroke and had him to the Huntington Hospital in time to be treated. Timing is a key when dealing with stroke victim. Thanks again!

International News update from the Board:

- San Marino is working with Independencia Club in Tijuana to find projects.
- Argentine farm equipment was purchased.
- BCDC Uganda project. One \$60K project was deemed too costly so we will support some smaller, related projects, such as rainwater collection.
- Spanish books for Tijuana school were delivered but waiting for time to go and present the books to the elementary school.
- Cambodia visit to aquaponics project was completed. An aquaponics demo unit will now be built in Isaac's home that can be used to demo this technology elsewhere.
- Reverse Grant: John Jones working with Family First in Pasadena, a non-profit that helps single parent families. Project cost is \$35-40K. We will be host club and look for intl donor clubs from Hong Kong and Taiwan to support. It's a community project but the funding is international. Our district and RI will match the money coming from overseas. It's a new process for us.
- Coconut Plantation approved for \$1K for language school to train kids in Cambodia for work in the tourism industry.
