Artist Pete Morris, a recent speaker at Rotary, is preparing artistic renderings of each of the featured six churches. Reda announced that a combined District Assembly and Conference is scheduled for May 3. MTM gave a quick **TASTE** update; so far we have 32 restaurants and 15 wineries. ChiefDan needs drivers for Corazon. KulturDirektor Steve experienced an overflow response for the depiction of Ray Bradbury: "Ray Bradbury Live (Forever)".

HAPPY BUCKS: ChasWig launched the happy donations on general principles. ChiefDan tossed in \$20 in happy celebration for surviving a day at Disneyland with the grandkids. ChiefBill happily thanked all for a wonderful birthday party; Elvis attended, but somehow resembled Tom Lake. W² happily parted with \$20 in honor of ChiefBill's 90th. MTM echoed the joyous sentiment.

DAVID KINNOIN, local South Pasadena songwriter, performed some of his music on keyboard and guitar. David volunteers his musical talent frequently at Shriners' Hospital, Union Station Homeless, senior centers, and elsewhere where music can serve a healing purpose. His sons, Grady & Oliver, also have become songwriters, partly inspired by Kilian. David was moved by the Rotary effort to eliminate polio; David has been close with polio sufferers.
