Service, Social and Fun Tidbits

Aviators Night – We don't celebrate our anniversary like any other Club. Because we had so much fun last year at the ballpark for our 2nd anniversary, we decided to do it again on April 20th. Whether it was the draw of fellowship opportunities, or the *Aviators* playing the *Chihuahuas* OR the unlimited hot dogs, pretzels, and popcorn, we had a blast! Thanks to all the members, family & friends who were able to make it, and to the Las Vegas Ball Park for show-casing our anniversary on the leaderboard. And a special thanks to Past Dist. Gov **John Chase** who drove his family all the way from Boulder City to join us. Happy Anniversary After Hours! Here's to many more years of giving back to our community and enriching the lives of everyone we serve.

Club Meeting with Gino Reyes, Summerlin Rotary Club

Wednesday, April 13, 2022

Welcome to another week of Rotary led by our fabulous **Terry Zakanycz**, President of the *Las Vegas After Hours Rotary Club*, where our motto is Service, Social and Fun. **Catherine "Cat" Brame** was our meeting captain, which coincided with her 1-year anniversary in LVAHRC on April 14th. We wonder how she does it all. In between her roles as Cruise Director and Fundraising Chair for our Club, she is also running a very successful business, *Five Diamond Screening*, all the while staying busy with two daughters and 3 grandchildren, and, oh, another on the way!

Pres. **Terry Zakanycz** was excited to open this week's meeting and hear a recap of our *Spring Swing Golf Tourney* held on 4/1. After Charter Member *Pattie Chandler* fulfilled her meeting captain duties, she shared a little about herself. She is celebrating her thirtieth wedding anniversary, is the vice-principal at *Garside Middle School*, and LOVES Rotary. She gave a huge thanks to **Kimberly Collum** who introduced her to our Club and said every week, even when she feels like she

would rather stay home and relax, she is grateful that she comes to our meetings to be with like-minded friends and get recharged!
