### President's Message

By Giles E Zollar Jr. on Saturday, July 16, 2022

**Service Above Self** - Why do we do the service events for our Club? I contend we do not volunteer for recognition or a pat on the back. True Rotarians do it to give without caring if anyone knows or notices. The ability to give to your fellow man, neighbor without receiving praise is truly Service Above Self. I truly believe that giving without the benefit of praise gives you a peace and satisfaction within that cannot be measured.

## Agassi Birthday Hour

What do you get when you bring together a bunch of excited birthday kids, pizza, cupcakes, and a silly game of putt putt? FUN!! Lots of FUN! One of our favorite volunteer activities is Birthday Hour at the *Agassi Boys & Girls Club* in the Rotary Room. We filled the kids up with pizza, sang Happy Birthday while they enjoyed homemade cupcakes, and then watched them try their skills at putt putt. Each had their own unique stance and swing with amazing accuracy for holes in one. A big win considering over half the kids said they had never held a golf club. Thanks to **Birthday Chair PP Beck** and all the members who made the birthday party so special and Happy Birthday to our June & July members and all the great kids at Agassi!

## The Just One Project

What a fulfilling morning with our members at *The Just One Project* pop up food distribution for local families at Cheyenne High School. Even though the truck broke down and arrived 3 hours late, over thirty volunteers managed to distribute food to 200 deserving families in record time. Turkey, ham, fresh fruit, eggs, milk and more! It's an incredibly well-run program that distributes food at various Clark County school locations once a month. Thanks to **Dawn Reese, Cat Brame, Rob Beck & Linda Bertuzzi** for representing the Club! This was another opportunity to showcase our Rotary Club with the Biggest Heart! ## July 27th Club Meeting and DaCdb Training

Wednesday, July 27, 2022

Another fun and informational week at the Las Vegas After Hours Rotary Club! **Pres. Giles** introduced this week's Captain **Renato Ritter** who is one of our original Charter members, instrumental in the very foundation of our Club's beginnings. Whether he was serving as Club Treasurer, setting up the AV systems, or making sure we have fabulous food every week, he manages every task with perfection. Renato has been in some form of the real estate market in Las Vegas for over 30 years, from mortgage lending, to his now business Quick Claim USA. Renato's inspirational moment reflected on the unseen Service Above Self opportunities around us, and how one small act can make an enormous difference in someone's life. Check out his moment [here](#).

We welcome two Rotarian guests - **Rob Goldstein** from the *Las Vegas Downtown Rotary Club*, and **Jim Ludwick**, *President of District 5190 E-Club*. Pres Jim shared his upcoming Polio fundraiser with the *Rotary E-Club of Global Action*. You can support and learn more about his walk through Italy to raise money for Polio [here](#). Speaking of Polio, PP Rob Beck will be in charge of our Swine Wine this year!

Giles and Dawn recapped our recent service projects with Agassi and The Just One Project - check out the full story on the [website](#) under July's Service Tid Bits

Cross Fines were doled out for Girls' Trips, Adelle's concert rescheduling, swim meet wins, and member travels. The Cruise Directors also passed out our very busy calendar through March 2023, and it will be kept up to date on our [website](#). Get your running shoes on! They have planned out an amazing Service, Social & Fun year!
